Website [www.diabetes.org.uk](http://www.diabetes.org.uk)

Our group was launched in October 1996 and since then has gone from strength to strength.

Our aim is to provide help and advice to people with diabetes and their families, and to raise awareness of diabetes in our local area.

Membership is free and open to everyone. Our work includes giving talks as well as cookery demonstrations and promoting a healthy life style

The vast majority of our funds are used locally. We provide free information packs to people who are newly diagnosed through the hospital and local GP's. To date approximately 10,000 have been distributed. We have given in the past to Diabetes UK Careline , which anyone can contact for help and advice. Free leaflets are available at our monthly meetings.

We have our own group website and dedicated email address where the latest information about the meetings can be found.

We would like to thank everyone for their support and generosity throughout the past year and look forward to a successful 2018.

If anyone is interested with helping at any event ie. Hospital stalls, market stalls, please ring Gill Franklin on 02476345126

If anyone wishes to leave the group a bequest in their will, please have it made over to the Geoge Eliot Nuneaton and District Diabetes UK Group. And contact the Treasurer at Nuneaton 02476 345126

**THANK YOU**
